## About Me

Hello, I'm Raven Xu, a freelance illustrator and digital sculptor based in Shanghai, currently studying illustration at Pratt Institute. My style is heavily influenced by the Art Nouveau style, early 20th century illustrations and traditional Japanese art. I take my inspirations from rock music and anime.

I've been doing freelance illustration work and online commissions since 2017, including magazine covers, zine illustrations, lolita dress prints, tarot card design, 3D modeling, and so on.
